

Dogs For Diabetics, Inc.

Our Dogs Save Lives

Tetanus Waiver

Dogs4Diabetics feels it is important for all staff and volunteers to be current on their tetanus vaccinations, particularly if they will be handling animals. If a member of the staff or volunteer has questions about the tetanus vaccination he or she is encouraged to consult a physician, at his or her own expense, to decide whether or not to be vaccinated against tetanus.

I have read, understand and agree to the above. Furthermore, I release Dogs for Diabetics from all responsibility that may occur because of my not being vaccinated against tetanus. I understand that whatever decision I make regarding a tetanus vaccination is my own decision and is made at my own risk.
